Pleasant Ridge Nursery &

Landscaping offers gardeners in the area many options for creating fabulous landscapes and gardens.

We offer

- Hardy, top quality plants
- Residential landscape services
- Commercial landscape services
- Retail nursery and
- 'We plan/you plant' services.

Our large selection of nursery stock and specimen plant material allows you to create exactly the effect you want.

Should you choose us for 'design/build' landscaping we can take you from conception to completion. We can provide conceptual plans and site layouts not only for your landscaping but also for walks, walls, patios and decks to make the most of your outdoor environment. Another of our specialties is offering creative and unique layouts for fountains, ponds and aquatic gardens. In addition to being a North Carolina Registered Landscape Contractor we have on staff a Certified Landscape Technician and Certified Plant Professional.
